Dear Visitors,

Welcome to Monroeville, Pennsylvania -YOU'RE HOME HERE!

I have enjoyed, worked in, and even called Monroeville home for almost 30 years. I have found the people and businesses here to be dedicated and welcoming to everyone who visits or settles in this beautiful city. Working for the people that call Monroeville home has been my steady ambition ever since, at age 25, I was elected Mayor.

At Visit Monroeville, we are more than just a source for hotel information or help with booking your next event at our convention center. We want to extend the feeling of being welcomed home to every traveler, visitor, and new neighbor.

Our location is ideal, as we are easily accessible from the Pennsylvania Turnpike, Interstate 376, and Route 22. Additionally, we are within driving distance of several major North American cities such as Cleveland, Philadelphia, Detroit, Toronto, and Washington DC. Plus, we're only 12 miles east of Pittsburgh and less than one hour from the stunning Laurel Highlands.

One of our standout attractions is the newly renovated 100,000-square-foot Monroeville Convention Center. With ample free parking spaces to accommodate over 5,000 visitors for a single event, we even offer free local transportation! Furthermore, we have 12 brand-name hotels, with more than 1,400 total rooms, all within a three-mile radius of the Convention Center. The DoubleTree by Hilton Hotel even sits on the same property.

In addition to our great convention center and hotels, Monroeville has endless options for eateries, shops, and fun activities for every preference and budget. Whether you're looking for indoor or outdoor facilities, we have everything you need to host virtually any type of athletic tournament.

Whether you are visiting for business or pleasure, for variety, affordability, and convenience, Monroeville, Pennsylvania has it all in one place. We look forward to welcoming you soon!
